JPC PILGRIMAGE

For this year's pilgrimage, we're headed to El Paso, Texas for a U.S.-Mexico border encounter. On March 17-21, we'll be staying with Abara, a nonprofit that seeks to go beyond borders through mutual understanding, education, and meaningful action. This is not border tourism; It's a chance to hear differently and connect across divides. Follow @jpc_learn_serve to learn more and stay updated about the trip.

This edition of Stall Talk was distributed by the men's soccer team! You can support the team by attending their senior night game on November 11th at 7pm.
